ABOUT THIS MEETING

One of the most powerful and important aspects of this program of recovery is the cultivation of community. The intention of this meeting is to provide a space for connection and support for those who identify within the LGBTQIA+ and gender and sexual minority (GSM) community as we apply the practices and process of Refuge Recovery to recovery from addiction of all kinds.

INCLUSION STATEMENT

We are committed to providing an environment of safety, respect, and inclusion – representing and appreciating diversity at the broadest level. Our group doesn't just accept our difference; we celebrate and thrive as a result of them. We recognize the individual experience in each person's journey towards an authentic life and we embrace you just as you are. All are welcome here.
